

I write to register my strong support for Wisconsin's No Call Law List. Our family has limited time together in this hurried life of ours. The dinner hour is our time to be our family. The uncaring and intrusive tactics of the telemarketing industry to ruin an important part of the American way of life, the dinner hour, should not be tolerated by a government that cares for its citizens. Please leave our law in its present form.

Filed by the Wisconsin Department of Agriculture, Trade and Consumer Protection at the request of the named individual.
